

Leave No Trace

Trainer Workshop Certification

This 2 days course is for those interested in becoming better backcountry stewards and with an interest in educating others in the principles of Leave No Trace.

Upon successful completion of this trainer course and action plan you will be registered as a trainer and will receive a certificate of completion.

This course is open to anyone interested in learning about teaching the principles to others. The course features a short easy backpack and overnight campout.

The main objective of this course is to train attendees on how to present the ethics to others. Each participant will present one of the principles to the class. Various teaching methods will be introduced and discussed and participants will have an opportunity to present as well.
